

Holden's Hope Virtual Education Series April 29 & May 27, 2021

Target Audience

This activity is designed for practitioners who may have encounters with families that may experience miscarriages, stillbirths, or the loss of an infant.

Learning Objectives

At the completion of this activity, participants will be able to:

- Discuss leaning-in to the difficulty; what patients need from providers (mentally, emotionally as well as clinically),
- Examine case studies and to discern what might be changed to make the experience a better one for both patient and staff,
- Promote meaningful and culturally appropriate evidence-informed practice, among maternity care providers,
- Discuss families experiencing infant death/stillbirth and how to assist them on their healing journey,
- Explain how bringing your essential self every day, is best for both you and your patients,
- Assist attendees in identifying a renewed course or plan for bereavement processes/patient care procedures surrounding bereavement,
- Discuss steps that hospital systems have taken to improve their bereavement processes and patient care.

Activity Goal

This activity is designed to address the following core and team competencies: *Patient Care, Medical Knowledge, Practice-based Learning and Improvement, Interprofessional Collaboration, and Roles and Responsibilities.*

Non-Endorsement Statement

The provider verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. The provider does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Disclosure

The provider adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

Disclosure Summary

In addition to all provider employees and committee planners in control of content, the following have indicated they have **No Relevant Financial Relationships to Disclose**: *Nina Guertin; Victoria Pennington, LMSW, CCLS, CPST; Jennifer Sullivan, ATR-P; Jana Taylor BSN, RN; Jane Whitlock, CNA, EOLD*

Accreditation

In support of improving patient care, this activity has been planned and implemented by Cine-Med and Holden's Hope. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical

Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Ciné-Med designates this live activity for a maximum of 2 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity provides 2 contact hours for nurses.

Social Workers

As a Jointly Accredited Organization, Cine-Med is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Cine-Med maintains responsibility for this course.

Social workers completing this course receive 2 intermediate continuing education credits.

All other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for activities designated for *AMA PRA Category 1 Credits*[™], consult your professional licensing board.

Certificate: Only after all sessions within this series have been presented, credits can be claimed by completing the online Credit and Evaluation form <https://cine-med.com/certificate.php?redirect=hh2021>. Learners will be able to download or print a certificate once the form has been submitted. Credits for all sessions should be claimed as a one-time submission.

Commercial Support

This activity is being provided independent of industry support.
